## CMF Surgery

It is the face that makes humans unique and unmistakable – “There is nothing that more closely reflects the life of an individual than the human face”.

**Our objective** is to simplify craniofacial surgery with specially designed implant systems that ensure optimum satisfaction for both surgeon and patient. Together with renowned users we translate new ideas into innovative products and are constantly enhancing them.

Our range of products includes everything necessary for modern craniofacial surgery. We not only set standards but we also go beyond to take advantage of modern technology in the development of solutions customized for the individual patient.

**KLS Martin** – your competent and reliable partner for both everyday challenges and special challenges.
